Few companies have had the impact on the landscape of American automotive engineering that Chrysler has had. Hailing from the United States' own Motor City of Detroit, Chrysler has produced at least two of America's main brands of car – Dodge and Jeep, which have each gone on to symbolize the most American elements of the automobile. Overheating Chrysler 300. My 2006 Chrysler 300 will start to overheat then go back down while I'm driving. When I sit with the car at a light it will go all the way up and when I start to drive it goes down a little bit.
