This item: Advanced Practice Nursing: Emphasizing Common Roles by Joan M. Stanley PhD RN CRNP FAAN Paperback \$33.94 In Stock. Complexity Leadership: Nursing's Role in Health Care Delivery by Diana M. Crowell PhD RN NEA-BC Paperback \$34.44 APN, advanced practice The 3rd Edition of this AJN Book-of-the-Year Award winner prepares graduate nurses to meet the challenges of practice today and to take leadership roles in the future. From its historical roots to contemporary concerns and trends, the author traces the development of the advanced practice nursing role and articulates the major issues facing practitioners today. Teaching nurse practitioner (NP) students about nursing history, foundational advanced practice concepts, and role competencies can be challenging because students typically find pathophysiology, disease management, and pharmacology content more compelling. However, faculty must impress upon students that understanding the processes and context of health care is vitally important to their ...Advanced Practice Nursing: Emphasizing Common Roles / Edition 3. This important new edition introduces your graduate students to new levels of professional practice. The text is focused on common roles of the various specialties (NP, CNS, CRNA, and CNM).
