

# Download Evidence Informed Nursing A Guide For Clinical Nurses

Request PDF on ResearchGate | On Jan 1, 2002, Robert McSherry and others published Evidence-Informed Nursing A Guide for Clinical Nurses This introductory text to evidence-based practice provides nurses and other health professionals with a clear idea of why they should use research information as a basis for high-quality patient care and how they should use that information in the clinical setting. Note: Citations are based on reference standards. However, formatting rules can vary widely between applications and fields of interest or study. The specific requirements or preferences of your reviewing publisher, classroom teacher, institution or organization should be applied. This introductory text to evidence-based practice provides nurses and other health professionals with a clear idea of why they should use research information as a basis for high-quality patient care and how they should use that information in the clinical setting. In a logical progression which helps the student build knowledge systematically the text looks at: \*the rationale for evidence ...
