" I am looking to purchase a Proline 221 with a 1999 Johnson 200 HP Ocean Pro outboard. The boat is a bank repo, the wholesale dealer tried to take me on a sea trial yesterday. When the engine was started (we first started it out of the water, with a hose hooked up to it), it smoked excessively, and blew a lot of oil out though the prop. With over 1500 accessories for boats and motors in our warehouse at any given time, some will inevitably get bumps and scrapes. Spare parts and items with missing packaging, along with these blemished items will occasionally be offered at deep discounts to make room for more inventory. Evinrude 110 hp carbureted 20" 4-cylinder engine outboard boat motor, unknown actual year. Engine runs and looks ok, there is paint flake, cracks and scratches in cowlings. hello i have a 1984 evinrude 35hp model E35RLCRR, the motor isnt peeing, so therefore i called a couple people i know and they said it was the impellor and one said it was the thermostat? i want to know where to find the thermostat so i can take it off and see if thats the problem due to not peeing.
