"Working with Finale has been great, the inventory product is developed enough to be a real tool, but still in the stages where it is evolving and the developers try to incorporate our every need and suggestion. Finale is the flagship program of a series of proprietary music notation software developed and released by MakeMusic for the Microsoft Windows and macOS operating systems. First released in 1988, version 26 was released in 2018. Finale has been regarded as one of the industry standards for music notation software. By Goran on August 31st, 2010 at 7:25 pm. I have been using Finale for several years, and it keeps getting better. I have never been interested in Sibelius until now, and the sole reason is the ReWire support feature.
