Your ...The Ultimate Guide for the Anxious Premed is the best resource out there for any medical school applicant, regardless of where they are in the process. This publication will guide you through every step of the application process: from your first day of undergraduate classes to the day you matriculate in medical school. The Ultimate Guide for the Anxious Premed is the best resource out there for any medical school applicant, regardless of where they are in the process. This publication will guide you through every step of the application process: from your first day of undergraduate classes to the day you matriculate in medical school. MCAT Prep. The MCAT is the gate keeper to medical school. Score well and your chances are much better to get into medical school. Do poorly and you will be struggling to get your foot in the door. Online MCAT Courses, one-on-one private tutoring and self-studying are just a few ways to prepare for the MCAT.
