How to Improve Your Fly Fishing & Catching: 30 fly fishing ... Go Fly Fishing in North Wales. Posted on 24th February 2018 by admin. Point your rod tip down all the water through the retrieve and keep a close eye on the line dangling just below the tip. It's your strike indicator. If a fish takes the fly gently, you will often spot the line move outwards, even if you don't feel the bite. Lift the rod and you might hook the fish.
