

Download How To Make A Million In Nursing And Other Healthcare Professions

WGU's College of Health Professions offers accredited online bachelor's and master's degrees in nursing/healthcare licensure, management, informatics, leadership, and more. Today's fast-growing healthcare industry offers many career opportunities for people with the right skills and credentials. Take the next step to advancing your career with a master's degree in nursing education, nursing leadership and management, nursing informatics, or health leadership and administration. Nursing is the largest medical profession in the world with nearly 4 million nurses in the United States alone. As such, nurses have the potential to profoundly influence policy and politics on a global scale. In fact, it is the moral and professional obligation of nurses to be engaged in legislation that impacts their patients. Healthcare degree programs from University of Phoenix strive to build leaders in the health industry's patient-centered, administrative and educational professions.
