In a typical adventure story, a hero embarks on a journey filled with dangerous obstacles and villains that render his survival uncertain. Planning the crucial elements of an adventure story -- a journey to an exotic ...If the experiences in your story are what one could normally, logically expect to follow the set up, then it is not an adventure. If your characters jump in the car for a ride to grandpa's house and see cows and firetrucks and a house being built and a rainbow, that is not an adventure -- it's a normal, albeit pleasant, drive.
