Since 2001, the Pro-C has been the contractor's choice in residential irrigation control. The Pro-C has proven to be the most reliable and robust controller in the industry, with the flexibility to expand on demand due to its modular design. The Pro-C Hydrowise controller has a full graphical touchscreen interface, which makes programming with or without Wi-Fi connectivity and manual starting from the controller a breeze. R.C. Pro-Am is a racing video game developed by Rare. It was released for the Nintendo Entertainment System (NES) by Nintendo for North America in March 1988, and then in Europe on April 15 of the same year. Presented in an overhead isometric perspective, a single player races a radio-controlled car around a series of tracks. The objective of each track is to qualify for the next race by ...
