

Download Ki 229 Installation Manual

True, however this combination will not be mentioned in the KI-229 installation manual, neither in the Garmin GTN installation manual. While some sensible people would say you can do this, some others will not approve installation of anything that is not published in wiring diagrams by manufacturers, like this solution. installation manual ki 208, ki 209 navigation indicators manual number 006-00140-0004 revision 4, august 2002 h released for the exclusive use by: aircraft electronics association up536434. warning prior to export of this document, review for export license requirement is needed. and the KA 44 and KA 44B ADF Antennas. Installation and operating instructions are also included. Information concerning the maintenance and repair of this equipment may be found in the KR 87/KI 227/KI 228 Maintenance/Overhaul Manual , P/N 006-05184-XXXX, and the KA 44/KA 44B/ KTS 156 Maintenance/Overhaul Manual, P/N 006-05535-XXXX. NPN King KI 229 RMI The KI 229 RMI Indicator is used with the KR 87 Digital ADF system, the KCS 55A compass system, and a VOR receiver. The Radio Magnetic Indicator provides bearing information to either ADF or VOR stations by means of two pointers, each of which is read against a compass card. The KI 229 RMI takes the place of both an ADF
