BY NICK BOSTROM . Faculty of Philosophy, Oxford University. Published in Philosophical Quarterly (2003) Vol. 53, No. 211, pp. 243-255. [www.simulation-argument.com]pdf-version: [] ABSTRACT This paper argues that at least one of the following propositions is true: (1) the human species is very likely to go extinct before reaching a “posthuman” stage; (2) any posthuman civilization is ...“Our emerging post-privacy order isn’t quite totalitarian, but it’s getting there,” writes Ross Douthat in his latest Sunday column. For years, the Left has been shifting from a theory of justice rooted in the public/private divide to a theory of justice rooted in the divide between what’s in the realm of officialdom and what’s outside...Love Science Fiction? Hate wasting time reading the trash? Then read this definitive guide to the Top 25 Science Fiction Books in the genre. It's been a long time in coming, but the NEW Top 25 Best Science Fiction list has been released January 2016. There's a LOT more thought put into the list here than the old list (which is still a great list) and the picks are more representative of the ...
