(f) Professional Development Plans – Each Head Start agency and program shall create, in consultation with an employee, a professional development plan for all full-time Head Start employees who provide direct services to children and shall ensure that such plans are regularly evaluated for their impact on teacher and staff effectiveness. Professional Development Plan. It is the intent of Northwest Tennessee Economic Development Council, Head Start/Early Head Start program to provide well qualified staff in order to ensure the delivery of high quality comprehensive services to children and families. The quality of these services depends on the qualifications of program staff. Professional Development. Excellence in early childhood education (ECE) programs is built on a workforce that promotes continuous program improvement. Professional development is a cornerstone of this process. It includes gaining new knowledge, skills, and abilities, along with experience and competencies that relate to one's profession,...The Head Start education manager and the child care program director identify and prioritize their staff's professional development needs. They jointly plan professional development. Their professional development plan includes a two-hour workshop on supporting children's social and emotional development.
