The Ford Ranger is a range of pickup trucks manufactured and marketed by Ford in North and South America. The replacement for the Mazda-sourced Ford Courier, the Ranger was the first compact truck developed by Ford. Introduced in 1982 for the 1983 model year in North America, the Ranger was introduced by Ford of Argentina in South America for the 1998 model year. The mental roots of today's Texas Ranger Division trace back to the first days of Anglo-American settlement of what is today the State of Texas, when it was part of the Province of Coahuila y Tejas belonging to the newly independent country of Mexico. The unique characteristics that the Rangers adopted during the force's formative years and that give the division its heritage today ... This site uses cookies.
