

# Download Refuge A Pathway Out Of Domestic Violence Abuse

The Refuge Service provides safe accommodation to adult women and their children who are experiencing domestic abuse and are unable to stay in their own homes or access alternative safe accommodation. Changing Pathways provides refuge accommodation for up to 43 women and their children, including 16 self-contained flats for women and their children who are [Read more...](#)Jobs at Stop Domestic Abuse. Are you interested in working with people affected by domestic abuse? We want to attract and recruit people who share our values and our commitment to deliver quality services. We are at a loss for words by the abhorrent act of domestic terrorism and extreme violence committed in Las Vegas; however, we are not at a loss for desire and need for action by everyone in this community. Changing Pathways is a domestic abuse charity working across the areas of Basildon, Brentwood, Castle Point, Rochford and Thurrock.
