People have different reasons for wanting these. Just a reminder, while most of the lessons will remain the same, the lessons are fluid. I make corrections, I change assignments, and especially links can... Each Scope and Sequence document is designed for a specific school year and reflects the number of available instructional days for that year and grading period. Information in a Scope and Sequence document mirrors selected information in the corresponding Planning Guide used by teachers for a particular course/grade-level.

INSTRUCTIONS FOR USING THIS TEMPLATE:

- A scope and sequence is an overview of the skills and content covered in your program's curriculum at each class level over a period of time (scope) and in a particular order (sequence). Fully developed unit plans will require more detail than the outlines sketched here in the scope and sequence.
