

Download Secrets Of The English War Bow

"Secrets of the English War Bow" is a very well written & constantly interesting book on the vitally important weapon of the fourteenth & fifteenth century English military that has been obviously thoroughly researched by the author. Armed with this new information, Soar provides an analysis of both successes and failures of the war bow in several important battles. Illustrated in color and black and white, Secrets of the English War Bow provides an invaluable service for those interested in medieval military history, archery, and technology. Praise for Secrets of the English War Bow: "Bowyers, bowhunters, target archers and students of archery history should all find cause for celebration with Hugh Soar's concise but authoritative text." —Traditional Bowhunter

"Secrets of the English War Bow" is a very well written & constantly interesting book on the vitally important weapon of the fourteenth & fifteenth century English military that has been obviously thoroughly researched by the author.
