

Download Smart Goals Template For Gifted Students

Sample Measurable Stems/Goals For Gifted EPs The student will demonstrate effective communication through written and/or oral presentation of researched information by earning a 90% or higher on 3 out of every 4 assignments by the end of _____ grade. By the end of _____ grade, the student will display appropriate and effective personalThis entry was posted in Gifted Education and tagged Cash in on Learning, Free Spirit author, gifted children, gifted education, gifted students, goal setting, goals, GT, high-ability learners, SMART goals, teaching gifted and talented students, teaching gifted students. Bookmark the permalink.Advanced Learning Plans and SMART Goals Development of the Reference Series is largely due to the volunteer efforts and expertise of gifted educators in Colorado. The following educators are recognized for their contributions to the Early Access packet and their dedication to ongoing improvements for gifted student education.The IEP for the Gifted Learner. As a teacher for Gifted and Enriched students, I have spent many hours working with teachers, parents and learners on developing Individual Education Plans (IEP) for Gifted and Enriched learners. The IEP has a clear purpose and its process for development is not a difficult one to grasp.
