

# Download Successfactors Analytics Guide

SAP SuccessFactors Workforce Analytics Metric Packs. The measures and metrics delivered with SAP SuccessFactors Workforce Analytics metrics packs come with a formula for how analytics are calculated. The purpose of the formula is to help ensure a standard and mutual understanding for all users. HCM reporting is an exciting topic for me and there are a lot of reporting tools to play with in SAP SuccessFactors. Some SAP SuccessFactors modules like Recruiting Management, Employee Central, Compensation and many more already provide some reports and there is a separate module (Workforce Analytics and Planning – WFA/WFP) with a library of more than 2,000 standard metrics, industry ...Introduction. As you guys may know, there's a new direction for reporting in SuccessFactors that was recently announced. Sooner or later, SAP Analytics Cloud (SAC) will replace most of current reporting tools—ORD, Adhoc, BIRT, YouCalc.
