Try these 15 naturally sweet desserts that are 100 percent vegan and include no added sugar! Exciting news! I've started doing free yoga videos on my YouTube channel! I don't know why it's taken me so long. I should have started this 10 years ago when my yoga students used to ask me to create videos whenever ... Be sure to follow me on Bloglovin' Eating cookie dough is either something people do naturally, or it's something that is appalling in their mind. I know this because I was chatting with the check out lady at the grocery store this week and learned that eating raw cookie dough is not cool in some people's minds. The benefits of raw local honey are well known, especially for keeping allergies at bay, so it's important to know if the one you buy stacks up.
