Haiti: Geographical and historical treatment of Haiti, including maps and statistics as well as a survey of its people, economy, and government. Haiti was the second country in the Americas, after the United States, to free itself from colonial rule. Its capital is Port-au-Prince. Panama enjoys a lively mix of cultural influences, expressed in the country's cuisine, artwork, music, and literature. Its capital, Panama City, is located on the Pacific coast just east of the canal. A cosmopolitan city where skyscrapers tower above whitewashed bungalows, it enjoys a handsome setting and a growing importance as a commercial and financial services centre for the region. Nature of geography Geography is. an academic discipline – a body of knowledge given to ? or received by ? a disciple (student); a branch or sphere of knowledge, or field of study, that an individual has chosen to specialize in. Modern geography is an all-encompassing discipline that seeks to understand the Earth and all of its human and natural complexities ? not merely where objects ... An urban area or urban agglomeration is a human settlement with high population density and infrastructure of built environment. Urban areas are created through urbanization and are categorized by urban morphology as cities, towns, conurbations or suburbs. In urbanism, the term contrasts to rural areas such as villages and hamlets and in urban sociology or urban anthropology it contrasts with ...
