The second edition of *The Managed Health Care Industry—A Market Failure* (referred to as *Market Failure* in this review) became part of the health care literature on the eve of the U.S. Supreme Court decision on the Affordable Care Act of 2010. The book reads like the transcript of a free-flowing debate between experienced insiders. *The Managed Healthcare Industry — A Market Failure*. From the derailed ensures put forth by Presidents Franklin D. Roosevelt and Bill Clinton, to the Affected individual Security and Fairly priced Care Act signed by President Barack Obama in 2010, Dr. Schoenholtz exposes the political sleights of hand that lobbyists and specific pursuits have made into the business HMOs of as we converse.
