To make sure your vehicle stays in top shape, check its parts for wear and damage at regular intervals and replace them in time. When you are in need of a reliable replacement part for your 2004 Toyota Corolla to restore it to 'factory like' performance, turn to CARiD's vast selection of premium quality products that includes everything you may need for routine maintenance and major repairs. The widest range of products, outstanding quality, and affordable prices are the three pillars on which CARiD bases its work. As a result, we provide an extensive selection of high quality Toyota Corolla repair parts manufactured to restore your vehicle to like new condition at the most attractive prices. Toyota, like many car makers with a history going back to the early 20th century, was initially involved in an entirely different industry altogether: making looms for the silk industry. Toyota is a well-known Japanese automotive manufacturer and ranks as the 13th largest company in the world by revenue. As such, they are also one of the largest automobile manufacturers in the world, and reached a landmark in 2012 when it produced its 200 millionth vehicle.
