

# **Download Used Toyota Prius Manual Transmission**

Toyota Models and Trim Levels with a Manual Transmission. Many car shoppers with an eye on performance gravitate to the form and function of a manual transmission. With complete control over acceleration and gear changes, you can fine-tune your performance on the road or the track. With a more direct connection to power and performance, Toyota models equipped with a manual gearbox will provide an athletic and unforgettable driving experience. Car shoppers interested in learning more about which Toyota models are available with a manual transmission can visit us at Toyota of Greensburg today. 2019 Toyota Prius Prime Owners Manual Transmission – The Prius Prime has a unique place in the top of the Prius hierarchy, with exclusive components in hybrid electricity generation and distinct design variations. While the two Toyota hybrid engines are on the same platform and have a similar interior, only the prime minister can travel up to 25 miles on electricity alone.
