

Download Volvo Manual Transmission Fluid Change

So the answer is: Volvo Manual Transmission Fluid # 31280771. But as info is spotty it would be good if one of the vets who owns one of these cars could sound off on this. Unfortunately, my order won't arrive until next week, but I plan to do my door stop and change out the spark plugs if you are down. With 151,000 miles on the car, we agreed it was a good idea to change the transmission fluid first! Clean transmission fluid is essential to the operation of your Volvo S60 transmission. The C30's manual transmission has two plugs for filling and emptying the transmission fluid, located on the side of the transmission case. If you are simply checking the level of oil in your transmission, start by removing the top filler plug on the side of the transmission.
