Do the children know what to expect and is the material age appropriate? Making fun and engaging lesson plans is a must for children of such a young age. Children will listen and behave better when they know what is expected of them every day. It's important to keep the routine the same. However, it's also important to be flexible. Activities for toddlers are the number one hardest thing for me to come up with to do. They're a hard age because they often want to put stuff in their mouths, as well as not understanding direction or having the attention span for most activities. We have done quite a few though (both Henry and ...Inside: An entire year of preschool lesson plans: 20 themes for young children! We love using themes with our preschoolers, but creating lesson plans to go with them can be time consuming. There's lots of searching, trying to make sure you are meeting all your curriculum goals while keeping ...Our toddler curriculum program was designed for young children between the ages of 12 and 18 months of age.. Our young toddler curriculum includes four weeks of lesson plans for each month purchased.
