The Zero Point: A True Story. The Zero Point series is a deeply personal, often painful and sometimes comical account of Alexa's decades-long struggle to reconcile who she truly is with the realities of this Third Dimension. But what is the Zero Point? It's the non-localized point of consciousness that is available to usher you forward into your authentic nature despite the best efforts of ...Many members of the scientific community and philosophy of science communities think that science can provide the relevant context, and set of parameters necessary for dealing with topics related to the meaning of life. In their view, science can offer a wide range of insights on topics ranging from the science of happiness to death anxiety. Scientific inquiry facilitates this through ...Elon Musk: We are living in a computer simulation Independent - June 2, 2016 . Video: Is our world a simulation? Why some scientists say it's more likely than not The Guardian - October 13, 2016 When Elon Musk isn't outlining plans to use his massive rocket to leave a decaying Planet Earth and colonize Mars, he sometimes talks about his belief that Earth isn't even real and we probably live in ...In physics, spacetime is any mathematical model that fuses the three dimensions of space and the one dimension of time into a single four-dimensional continuum. Spacetime diagrams can be used to visualize relativistic effects such as why different observers perceive where and when events occur differently.. Until the turn of the 20th century, the assumption had been that the three-dimensional ...
